Scorpion : +2  +1  +1 

Scorpion : +2 

The card is titled "Onager" in a stylized font. It features a detailed illustration of a wooden siege engine, an onager, mounted on a two-wheeled carriage. The engine has a long, angled arm with a heavy stone projectile at the end. The background shows a landscape with a river, trees, and a distant fortification. At the bottom, there are icons for resources: a yellow cube, a brown rectangle, and a green plant. To the right of these icons are the numbers 3, 3, and 3. Further right is a vertical line with a green plant icon above it, and a black circle with a white dot inside. At the very bottom right, there are two circular icons: one with a gear and one with a key.
