

Maneuver

After you rolled a dice you may play this blessing to reroll the dice before performing the action's effect.

Accepting disappointment was never you strong suit.

9

Reconsider

After you rolled a dice you may play this blessing to increase or decrease the rolled result by one before performing the action's effect.

You almost lift your hand from the piece, but then you realize what you really wanted to do.

10

Manipulate

After you rolled a dice you may play this blessing to increase or decrease the rolled result by two before performing the action's effect.

Luckily you had the sewer just recently install a hidden pocket in your sleeves.

11

Forced Reassessment

After another player rolled a dice you may play this blessing to force the other player to reroll the dice before performing the action's effect.

You've always been great fun at banquets.
