

Troop Movements

Anytime during your turn you may play this blessing to move three distinct units under your control (infantry, cavalry, siege or ship) by one step.

You smile faintly as you watch your minions scramble. 21

Repairs

Anytime during your turn you may play this blessing to heal one of your buildings by one health point.

There were a number of pneumonia-related deaths in this property already. It might finally be time to undertake some renovations. 22

Shortcuts

When researching a technology you may play this blessing to reduce its cost by two resources.

Sure, the alchemists want to take precautions, but during times of war there is no time to spare on hesitancy. 23

Forced Levy

When recruiting a unit you may play this blessing to reduce the unit's cost by two resources.

Military participation may not always be completely voluntary. That's why we declared desertion to be illegal. 24
