

Infiltration

Anytime during your turn you may play this blessing to move one unit under another player's control (infantry, cavalry, siege or ship) by one step.

Your opponent did not expect this move ... of himself. 25

Commerce

Anytime during your turn you may play this blessing to convert any number of your resources into the same number of different resources.

Your chamberlain knows a guy that knows a guy. 26

Forced March

Anytime during your turn you may play this blessing to move one of your units (infantry, cavalry, siege or ship) by two steps.

Just cracking the whip was enough to convince most of the soldiers to move on. 27

Stride

Anytime during your turn you may play this blessing to move one of your units (infantry, cavalry or ship) by three steps.

These elite soldiers know when it is important to hurry. They can sleep tomorrow. 28
