

The infographic is set against a parchment-like background with a decorative border. It features five main sections, each representing a different military unit or technology. The sections are arranged in a grid-like fashion, with an arrow pointing from the 'Light Cavalry' section to the 'Hussar' section, suggesting a progression or upgrade path.

- Stable Technologies**: Located at the top left, it features a house icon and the text 'Stable Technologies'.
- Light Cavalry**: Located in the middle left, it features a key icon, a yellow cube, a horse icon, and a list of bonuses: +1 heart, +1 sword, and +2 sword.
- Paladin**: Located at the bottom left, it features a key icon, two red barrels, two yellow cubes, a horse icon, and a list of bonuses: +1 heart, +2 shield, and +2 sword.
- Husbandry**: Located at the top right, it features a horse icon, a key icon, a red barrel, a horse icon, and a list of bonuses: +1 horse and +1 horse.
- Hussar**: Located in the middle right, it features a key icon, a red barrel, a yellow cube, a horse icon, and a list of bonuses: +1 shield, +1 sword, and +2 sword.
- Cavalry Marksman**: Located at the bottom right, it features a key icon, two red barrels, two yellow cubes, a horse icon, and a list of bonuses: +1 heart, +1 shield, +1 sword, and +3 sword.

The units are represented by icons: a key for 'Stable Technologies', a horse for 'Light Cavalry', a key for 'Paladin', a horse for 'Husbandry', and a horse for 'Hussar'. The bonuses are represented by icons: a heart for '+1 heart', a sword for '+1 sword', a shield for '+1 shield', and a horse for '+1 horse'.

The infographic is set against a parchment-like background with a decorative border. It features six technology cards arranged in two columns. A large grey arrow points from the left column to the right column, indicating a progression. Each card has a title, a level indicator (I, II, III), and various icons representing different bonuses.
