

Hidden Stash

Immediately receive 2 gold.

Your eyes catch a glimmer coming from under a slab of rock. Curious, you investigate its source, only to find a chest, filled to the brim with coins. Someone must have hidden them for desperate times. 1

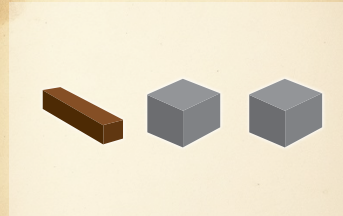

Wandering Herd

Immediately receive 3 food.

A herd of sheep crosses your path. You manage to shoo them to the nearest village and strike a trade. The herd's involuntary support will be greatly appreciated. 2

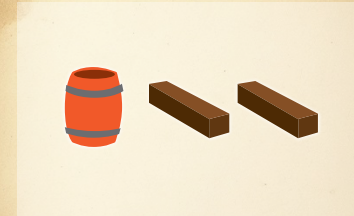

Ruins

Immediately receive 1 wood and 2 stone.

Behind a turn of the road you stumble upon the remains of an old watch tower. The ruins have caved in, but many of the stone blocks and some of the planks may still be used. 3

Local Support

Immediately receive 1 food and 2 wood.

You meet a wealthy local farmer, who places a lot of hope into the prosperity under your rule. To aid your plans, he supports you with materials from his estate. 4
